Bed Instructions

Murphy Bed: How To Open The Ebern Jeyda Murphy Bed

1. Grab the two black platform handles and pull them down towards you.

2. When the platform is about waist height, swing the support leg around towards the ground, then lower the platform to the floor.

3. Separate the Velcro straps that secure the mattress and tuck them under the platform so that they are out of the way.

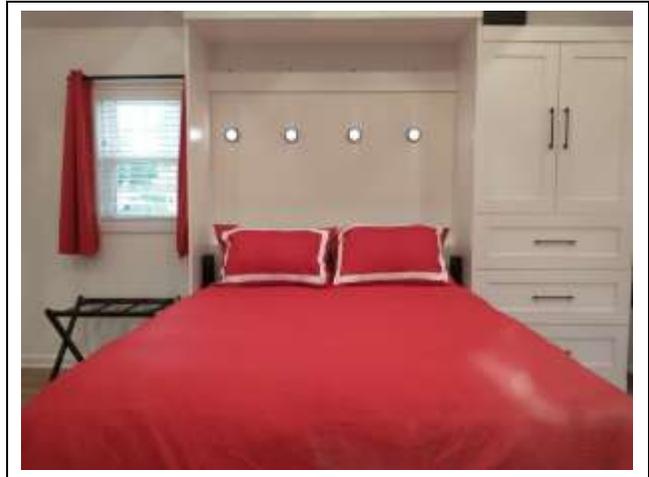

4. Use the pillows and bedding in the cabinet to the right of the bed. Note that the drawers can only be opened one drawer at a time; you must close one drawer before you can open another.

Garden Guest Cottage

1335 Wine Drive, Harrisonburg, VA 22801

5. Enjoy a good rest!

Before closing the Murphy bed, remove pillows and anything other than the sheets and one blanket, then reverse the steps above. Note that the support leg must be pressed tightly against the mattress in order for the platform to close. You may find that you have to pull down on the support leg on both sides once the mattress is vertical in order for the bed to shut completely. Do not force it shut.

When departing, please leave the Murphy bed open so that I can remove the bedding for washing.

Sleeper Sofa: How To Open The Ikea Friheten Sleeper Sofa

1. Remove the pillows from the sofa. (You can put them in the closet to get them out of the way.)

2. Grab the strap in the front of the sofa and pull the base up and out towards you.

3. Remove the pillows and bed linens from the sofa base storage compartment.

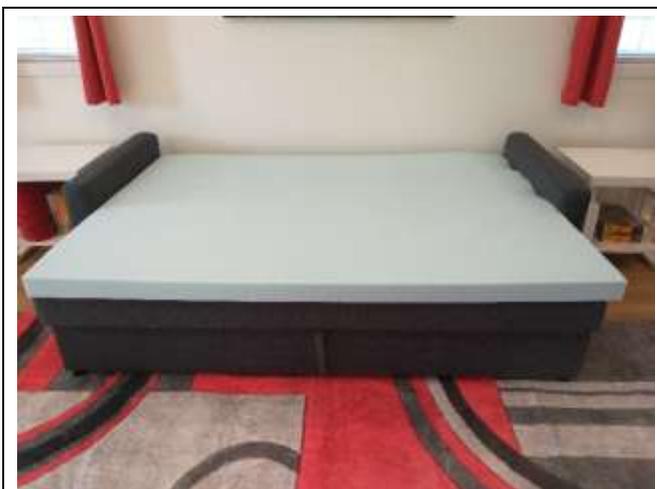

4. Lower the sofa back to complete the sleeping platform.

Garden Guest Cottage

1335 Wine Drive, Harrisonburg, VA 22801

5. Most people find the sleeping platform to be uncomfortably firm. For more cushioning, add the memory foam mattress topper that is stored in the back of the closet.

6. Place the mattress pad over the foam mattress topper and make the bed as normal.

7. Enjoy a good rest!

When departing, please leave the sofa bed open so that I can remove the bedding for washing.

Checkout/Departure

Before leaving, please take care of the following items:

- Deposit your trash in the trash bin in front of the garage. Leave your recycling and compost (if any) in the marked containers in the cottage closet.
- Wash any dirty dishes and leave them in the drying rack.
- Empty the refrigerator.
- Leave beds open and unmade.
- Turn off all lights and all electronics.
- Turn the thermostat to 82° F (summer) or 62° F (winter).
- Lock the doors and windows.
- Extinguish any outdoor fires.
- Leave by 10:00 AM.
- Have a safe journey and come back soon!

Gas Grill

You are welcome to use the Weber grill outdoors. If you do not see it on the patio, message me and I will take it out of the shed.

Parking

Feel free to park on the right side of the driveway. (Please do not block the left side.) There is plenty of parking on Wine Drive; please do not block the neighbors' driveways or mailboxes.

Patio String Lights

Use the remote on the shelf by the door to turn the patio string lights on and off. The remote must be aimed at the infrared receivers, which are to the right of the door to the screened-in porch.

Security Camera

For your protection, a security camera monitors the outside patio area. There are no cameras inside the cottage itself.

Garden Guest Cottage

1335 Wine Drive, Harrisonburg, VA 22801

Trash and Recycling

Please deposit your trash in the bin in front of the garage. Leave your recycling in the designated containers in the cottage closet. Let me know if you would like a separate bin for compostable organic waste (which you can leave in the cottage when you depart). Thank you!
